

BACKPACK GIVING TREE

The giving tree for the 2019-2020 school supply program is up. Please help a family in need with school supplies or backpacks. Please take a tag for a grade-specific backpack or a tag for school supplies.

Deposit your contribution with the tag attached into a collection bin in the vestibule by **July 21**.

*Thank you for your generosity!
The St. Dismas Community Outreach Ministry thanks you. This project helps with the education of our children and is much appreciated by their families.*
