St. Dismas Youth Group

is open to all teens, ages 13-18. We are a growing group mentoring the youth involved in our parish faith community, discussing the issues that concern teens in everyday life, and serving in various forms of outreach. The Youth Group is a place where teens can feel comfortable with each other discussing faith-based issues as well as engaging in a variety of projects throughout the year.

Youth Group

For teens 18 years and older who have been members of the Youth Group are invited to become part of the Peer Ministry (Leadership team)

Community Outreach

The Youth Group holds fundraisers so the group can be more self sufficient and to allow them to do more activities to help them to build and strength their faith. As we continue to grow, the Youth Group will continue to move forward helping the church and the community be more involved in living out their faith.

Topics like...

Prayer

Bible

MEDIA & TEENS

Respect Life

BREAKING THE SILENCE

Posada

... and more

Are presented to the teens, along with prayer, meditation, food, music, activities, conversation...

Speakers are invited to present and respond questions the teens might have.
