Taking Chance is a remarkable true story of one soldier's death in battle, another soldier's journey of discovery and a nation's reverence and gratitude toward its war dead. After hearing of the heroic death of a young Marine in Iraq, veteran officer Lt. Colonel Michael Strobl (Kevin Bacon) volunteers to escort the remains of Lance Corporal Chance Phelps back to his hometown in Wyoming. Now, on a trip across America's heartland, Strobl will find himself on an unexpectedly emotional sojourn into the soul of a country mourning not only Phelps, but all of our country's fallen heroes.
