SEDOL- Special Education District of Lake County is a cooperative educational system working with local school districts to serve students facing physical, emotional, and other learning challenges. Their mission is to provide "Exceptional Services for Exceptional Students". St. Dismas collects nutritious food for students and their family to have healthy meals. This program is coordinated by Char Wozniak. This is an ongoing monthly pickup.

Ride Share- Parishioners volunteer to provide ride to Mass to those who are unable to drive themselves. This program is coordinated by Christina Stoy.

Terrace Nursing Home- Parishioners volunteer to spend time with residents who don't have family or friends that visit them. This is coordinated by Mary McCoy.

OUTREACH

Christ has no body now on earth but yours,
no hands but yours, no feet but yours,
yours are the eyes through which Christ's
compassion is to look out to the earth,
yours are the feet by which He is to go about doing good
and yours are the hands by which
He is to bless us now.

St Teresa of Avila
